OWL Aristotle Aristotle was born in 384 B.C. in a small town called Stagira. His parents died when he was still young, and he was raised as an orphan. Though little is known about Aristotle's early years, the occupation of his father, Nicomachus, did have a significant influence on his development. Aristotle: Brief Overview | SparkNotes In the first book, Aristotle discusses the city (polis), or as he likes to call it, a "political association" (koinōnia politikē). He states that this city and other cities like it are designed and created with the purpose of achieving happiness or something good. Politics (Aristotle) - Wikipedia Aristotle's Categories is a singularly important work of philosophy. It not only presents the

backbone of Aristotle's own philosophical theorizing, but has exerted an unparalleled influence on the systems of many of the greatest philosophers in the western tradition. Aristotle's Categories (Stanford Encyclopedia of Philosophy) Born in 384 BC in Stagira, a small town on the northern coast of Greece, Aristotle is arguably one of the most well-known figures in the history of ancient Greece. He was a popular pupil of famous ancient Greek philosopher Plato.
