Asian American Sexual Politics
The Asian American Sexual Politics explores the topics of beauty, self-esteem, and sexual attraction among Asian Americans. The book draws on sixty in-depth interviews to show how constructions of Asian American gender and sexuality tend to reinforce the social and political dominance for whites, particularly white males, even in the supposed “post-racial” United States. Asian American Sexual Politics: The Construction of Race ... Why study Asian American sexual politics? There is a major lack of critical analysis of Asian Americans and their issues surrounding their place in the United States as racialized, gendered, and sexualized bodies.
