is an address to a group of people

for a specific purpose. A speech expresses or describes thoughts and feelings. It creates public awareness on certain issues, stimulates a sense of support or convinces people on certain policies, systems, etc. or propagates innovative ideologies and concepts.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to

customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
