words to say, including "I'm sorry," "Excuse me," and "Thank you." E-book [PDF] Excuse Me A Little Book Of Manners ... Overall this is a lovely little book, the only reason my rating isn't higher is due to the first example (of using manners). The child has to say "no thank you" to peas for breakfast. Even though it's not typical breakfast food, don't like that it could potentially encourage a child to say no to vegetables. Excuse Me!: Katz, Karen: 9780448455822:

Animated Excuse Me, A little book
of manners | Karen ... I bought this
book thinking that my 8 year old
would enjoy it, and that it had a
good lesson by saying "Excuse me"
when needed, he unfortunately did
not enjoy and actually told me that
he did not want me to read it again,
ever. I thought it wasn't that bad of
a book, and that it had a good
message but I guess as an 8 year
old, he thought otherwise. Excuse
