crisis into opportunity by Peter
Vogel, Palgrave Macmillan, £22.99

Youth unemployment is a huge concern. The ramifications are far-reaching:... Review: Generation Jobless? by Peter Vogel | Financial Times The thesis of "Generation Jobless" is that the current youth's generation is struggling to find work and the reason for this is based on the lack of employers willing to hire employees without experience, and education institutions not providing efficient knowledge/experience to assist these young graduates in getting jobs after they graduate and enter the real world.
