Lonely Planet Grand Canyon National One of the world's seven natural wonders, it's so startlingly familiar and iconic you can't take your eyes off it. The canyon's immensity, the sheer intensity of light and shadow at sunrise or sunset, even its very age, scream for superlatives. Grand Canyon Region travel | Arizona, USA, North America ... Forged by millions of years of erosion by the Colorado River, the Grand Canyon captures the history, scale and beauty of the American West. Overlooks peer into deep gorges layered with the colors of time and geology, dusty trails meander through sagebrush and over coyote tracks, and pictographs etched into canyon walls hint at the lives of past cultures.
