Lord of the Infrastructure: A Roadmap for IT ... Just reading this passage reminds me of the fight we have to live according to God's way. Life is a spiritual battle. Notice what he says: "Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. Spiritual Infrastructure | United Church of God Infrastructure is a term architects, engineers, and urban planners use to describe essential facilities, services, and organizational structures for communal use, most commonly by residents of cities and towns. Politicians often think of infrastructure in terms of how a nation can help corporations move and deliver their goods—water, electricity, sewage, and merchandise are all about
