Information. I. Introduction.

Ethnicity & Disease ( Ethn Dis) is an international, peer-reviewed journal that provides information on causal relationships in the etiology of common illnesses through the study of ethnic patterns of disease. It is distributed to health care professionals and researchers interested in improving health outcomes for ethnic minority populations. Submissions The journal considers all original research manuscripts provided that the work reports scientifically sound experiments and provides a

substantial amount of new information. Authors should not unnecessarily divide their work into several related manuscripts, although Short Communications of preliminary, but significant, results will be considered. International Journal of Molecular Sciences All manuscripts undergo strict peer review, including Reviews, Consensus Statements and Supplements. Manuscripts are initially considered by the managing Editor-in-Chief. Any manuscript that does not meet the general certain criteria of the journal, e.g. • relevance to the aims of the journal with the topic being of overall general interest Osteoporosis International | Submission guidelines For immediate assistance, contact

Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open

publishing platforms (though a book has to be really quite poor to receive less than four stars).
