places, we can empower people to take ownership of their local environment. Why Public Places are the Key to Transforming our Communities The restructuring was not without impact on the urban landscape, and more specifically on public places. The financial crisis led the city to give way to private interests. Public spaces were abandoned by the city and new spaces became highly controlled by private money and staff. In Search of Los Angeles Public Space: A Humble Quest ... Urban space (Piazza della Signoria, Florence) A public space is a place that is generally open and accessible to people. Roads (including the pavement), public squares, parks and beaches are typically considered public space.

By Matthew Carmona

To a limited extent, government buildings which are open to the public, such as public libraries are public spaces, although they tend to have restricted areas and greater limits upon use.
