process...provides a solid theoretical approach that is applied in a very 'real world' down-to-earth manner. The program does an excellent job of providing a defined framework for the planning process without turning it into a mechanistic 'fill out the form' exercise. Book - Center for Simplified Strategic Planning Having taken the course in Simplified Strategic Planning offered through the University of Michigan, I found this text to be a highly functional compliment to that program. The book is concise and offers a clear cut process to develop and implement a strategic plan that offers the highest impact with the most effective use of resources.
