Handbook for Individuals Involved

... While other books on these

conditions help us to understand

the clinical aspects,

neurochemistry, genetics and

medical treatment of these

disorders, Teaching the Tiger is uniquely designed to help teachers, parents, students, and relatives maximize the educational plans necessary to help these children.

This can be so effective that for some children this understanding of their condition and appropriate help in the classroom is all that is

necessary. Teaching the Tiger - By: Marilyn P. Dornbush and Sheryl K
