The Social Contract From Hobbes The condition in which people give up some individual liberty in exchange for some common security is the Social Contract. Hobbes defines contract as "the mutual transferring of right." In the state of nature, everyone has the right to everything - there are no limits to the right of natural liberty. The social contract is the agreement by which individuals mutually transfer their natural right. authority or formal checks on the behaviour of individuals. They considered that such a stateless autonomous condition could not prevail if man was to move beyond a primitive existence. The Social Contract Theories of Thomas Hobbes and John Locke Thomas Hobbes devised the Social Contract theory in the 17th Century. It stated that common security should be favored and that a bit of individual liberty should be sacrificed by each person to achieve it. Under the Social Contract, the natural right to liberty would be mutually transferred. An example of this would be if someone gave up his right to steal property from his neighbor while the neighbor also gave up that right. What Is Thomas Hobbes' Social Contract
