Land and Sea` (1912) is a collection of three short
stories by Joseph Conrad. After a hiatus from sea
stories Conrad returned to his roots much to the
delight of his fans. Conrad intentionally published these
stories in a single volume, they hold together as a
whole, greater than the parts, as described
below. Amazon.com: Twixt Land & Sea

Conrad's works signify a moving away from the more
political novels that provided many of his best works.

connected in any way, and differ greatly in tone and
content. The first story has a distinctly ironic accent to
it. 'Twixt Land and Sea by Joseph Conrad -
