outlines preventive law tactics and planning strategies for all important aspects of domestic and cross-border sales, leases and licenses. Understanding Sales, Leases, and Licenses in a Global ... The difference between lease and license is the difference between two distinct legal concepts pertaining to an individual's duties and rights in a contract. A lease is a contract between a tenant and a landlord that provides the tenant with exclusive interest in the property. A license, on the other hand, is when the owner gives permission to a licensee to conduct an action on the owner's property. Difference Between Lease and Licence: Everything You Need ...
