Water On Sand Environmental Histories "Water on Sand, edited by Alan Mikhail, is a diverse and engaging collection of works that bring environmental history to the forefront of the study of the Middle East and North Africa (MENA) in a compelling way. The essays that compose the book cover a significant swath of time—from the twelfth to the twentieth centuries—as well as a vast geographic space, and they deliver a persuasive call to utilize environmental history as a tool to understand the history of this region better."-- Amazon.com: Water on Sand: Environmental Histories of the ...
