Merrill says. “To the CISO, it was obvious.” Merrill argues that CISOs must make the human case to board... CISOs vs. the board | SC Media Like other enterprise executives, CISOs must defend their budget requests. Year after year the company hears that the CISO demands money for more projects, more products, more staff. We used to justify these requests by talking about defense in depth—the notion that a single layer will eventually fail, so we must deploy multiple layers. Life as a CISO: How do CISOs make sense of all the ...
